Atlas Public Records provides access to certain public records of circuit court systems around the United States. The information displayed is an exact copy of the case information entered into the circuit court case management system by court staff in the counties where the case files are located. Court records are protected under each subsequent states open records laws. Records not open to the public are A) Confidential Court Records B) Juvenile Records C) Child Protection, and civil commitments.

By using Atlas Public Records, you wholly agree that information listed on this website shall not be used for malice, harassment or in any deviant way against an individual or business.

The purpose of Atlas Public Records is to ultimately solve the lack of easily accessible court record information provided by counties and state governments in the United States.

Notice to employers: It may be a violation of state laws to discriminate against a job applicant because of an arrest or conviction record.
